

BE THE FIRST TO MAKE A DONATION

The first thing you should do is make a donation to your own campaign.

On average, people that donate to their own campaign raise 6 times more than those that don't donate, and receive donations from 9 more people.

When you have a donation on your page, your friends, family and coworkers are more likely to donate when they visit.

So, show everyone you believe in this cause by being your first supporter!
